CENTRAL
POWER SYSTEMS & SERVICES

Allison Refuse Specials

Our commitment to the refuse industry is our pledge to you and your needs as a Fleet Manager.

Central Power systems & Services will diagnose, remove and reinstall an Allison Remanufactured transmission and provide completed repairs within 24 - 48 hours.

TransSynd Fluid upgrade

We will also provide the removal and inspection of the related vehicle components, reinstallation including flushing the entire transmission cooling system. Road test the truck before we call you with a finished job and a

"guaranteed drive out price."

To further pledge our commitment to you and your fleet needs to keep trucks on routes generating revenue.

We will pay up to the first \$250.00 of the tow bill!
